SWIFT TRAWLER 35

AN INVITATION TO GO ON A LONG CRUISE

1/2

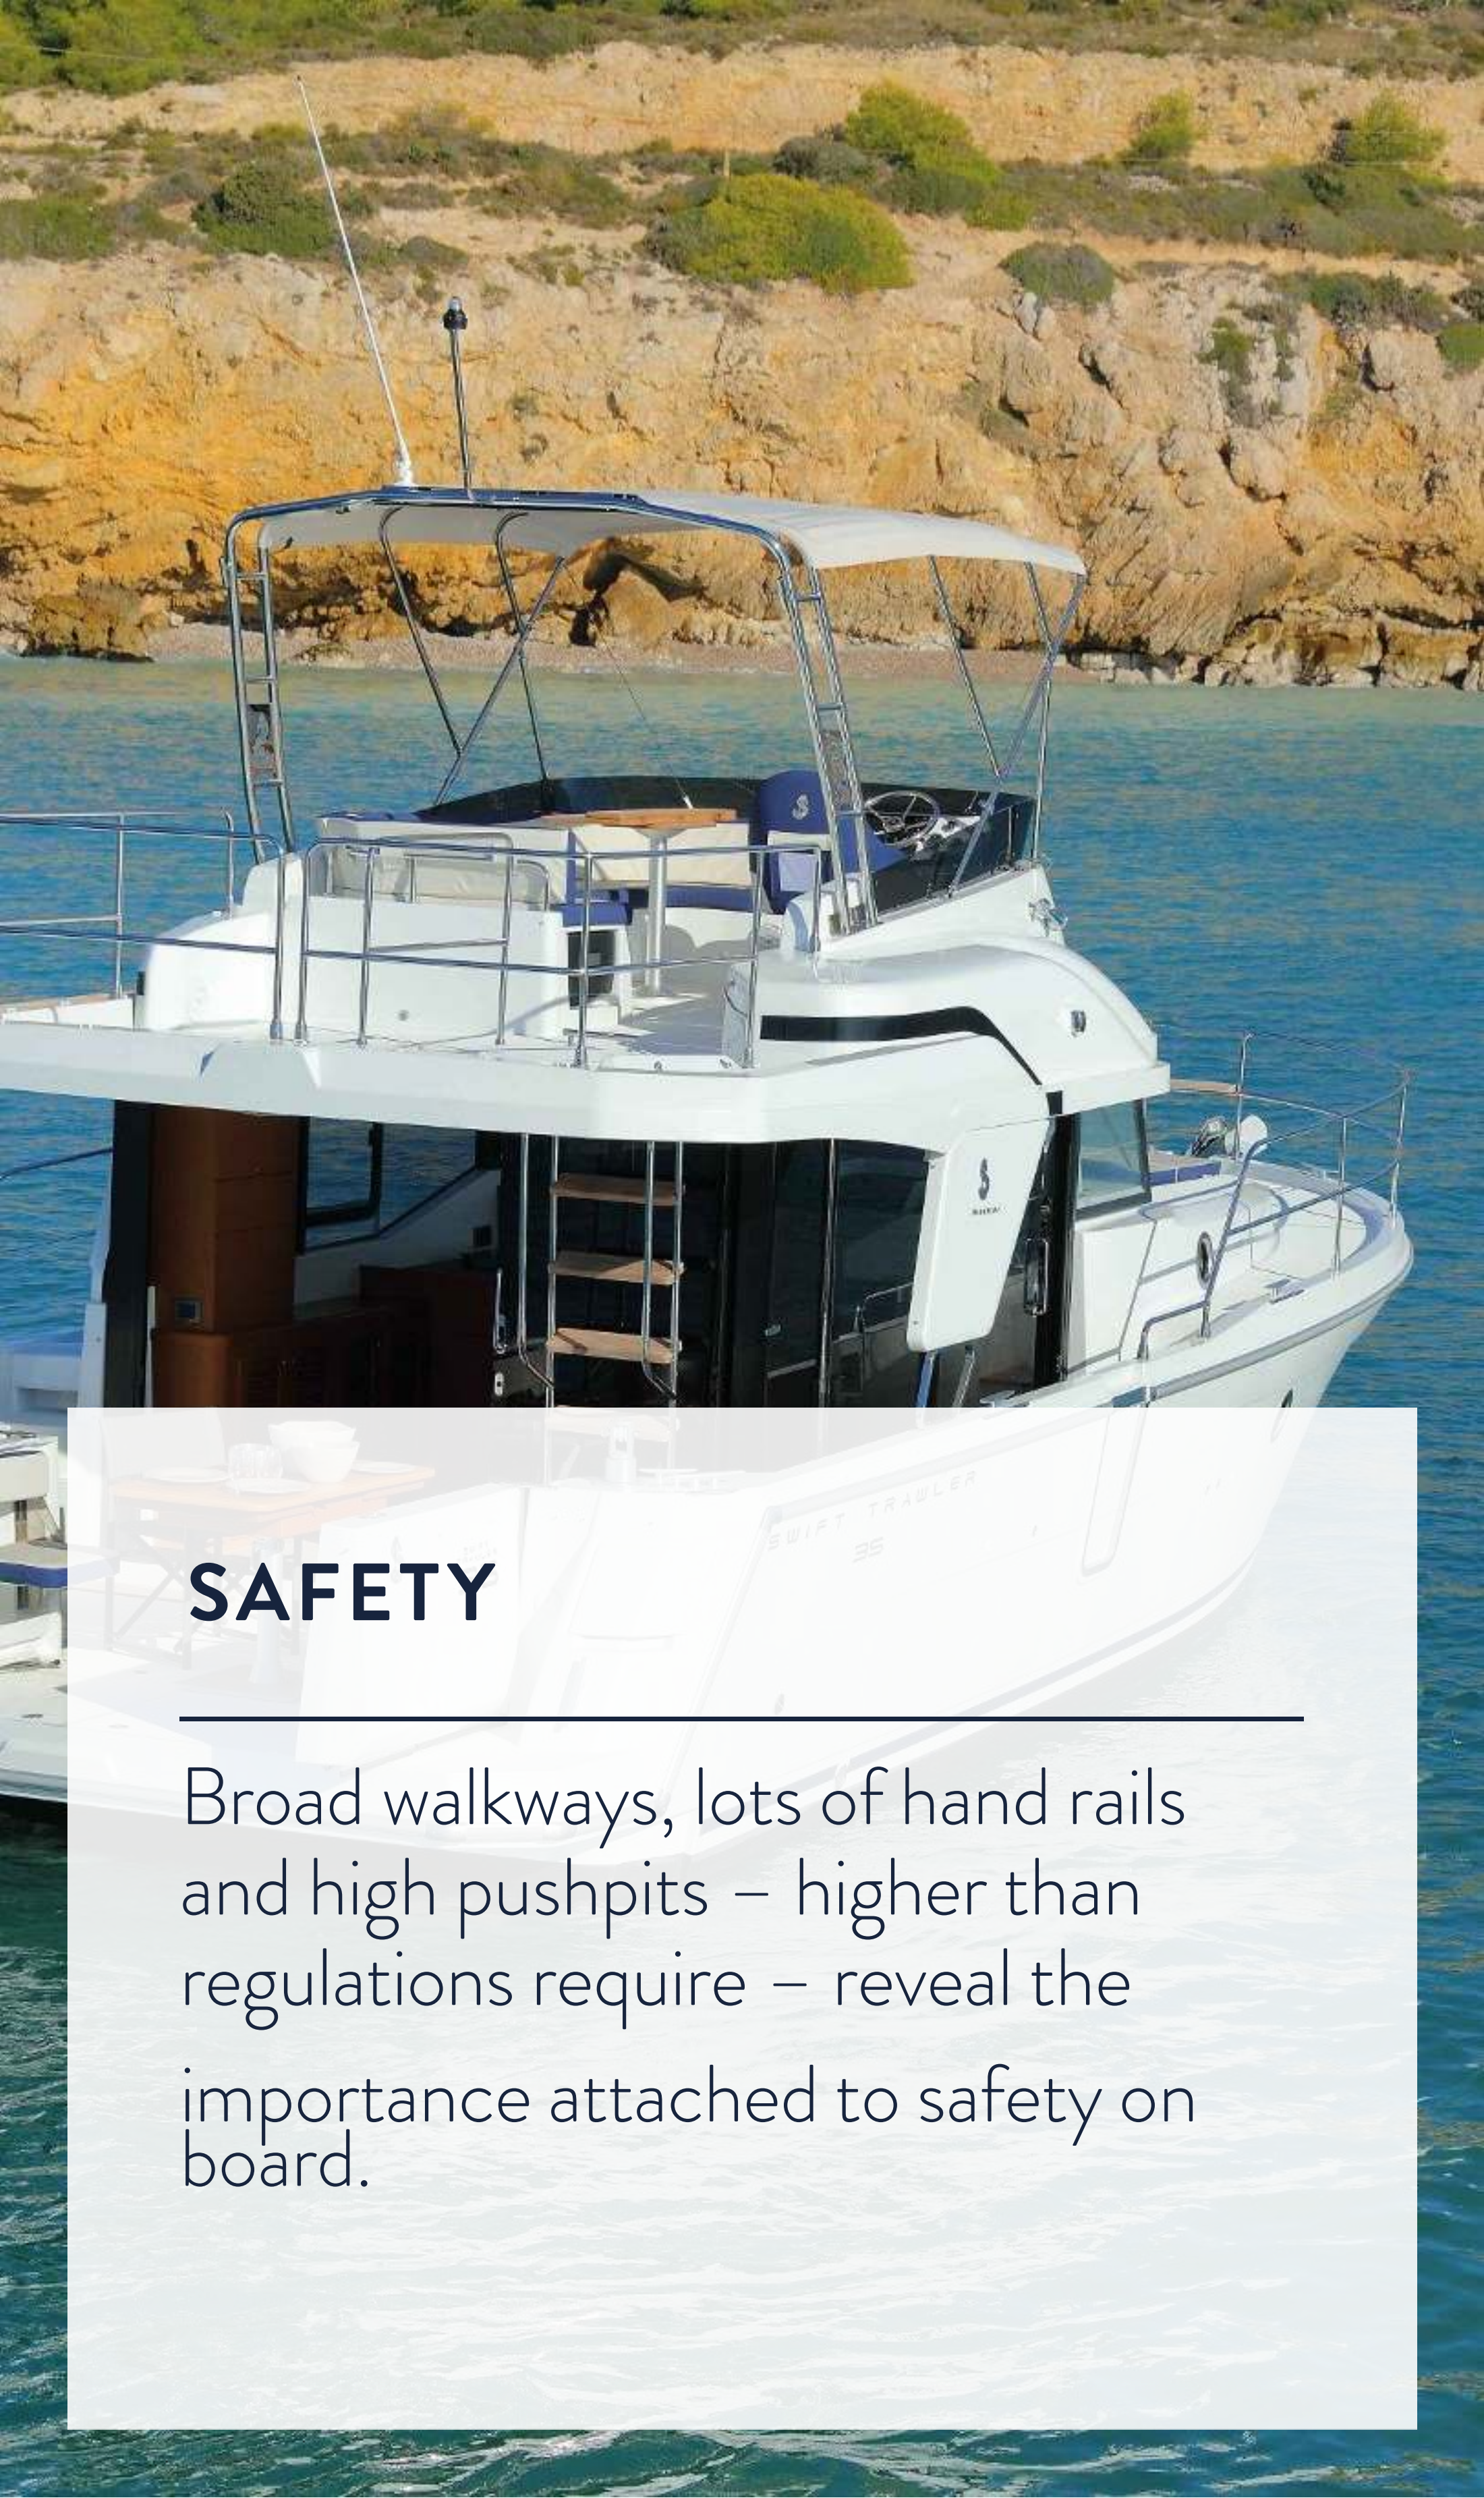

A comfortable and ingenious boat designed for the high seas. The many qualities and the size of the Swift Trawler 35 will tempt you to go on a long cruise. The Swift Trawler 35 has strong harmonious lines making you feel reassuringly safe, and this quality is repeated in the design and fit out choices.

Built on a semi-planing hull developed through the expertise of Beneteau Power, the Swift Trawler 35 has a Cummins 425 HP engine, and together they procure pleasure underway and offer easy manoeuvring.

ON VIDEO

A white Swift Trawler 35 motorboat is shown from a side-on perspective, floating on blue water. The boat features a white canopy, stainless steel railings, and a blue interior. A small table with white dishes is visible on the deck. The background shows a rocky, yellowish-brown cliffside with sparse green vegetation. The boat's name 'SWIFT TRAWLER 35' is visible on the side.

SAFETY

Broad walkways, lots of hand rails and high pushpits – higher than regulations require – reveal the importance attached to safety on board.

COMFORTABLE

With regard to visibility, the Swift Irawler 35's wheelhouse has a 360° view and is bathed with natural light.

For optimum comfort whatever the weather, the Swift Trawler 35 has opted for a modular exterior. Continuing to the far end of the starboard gangway, the awning closing off the cockpit unfolds quickly and easily from the flybridge structure. Protected by either a Bimini or a soft top, the Swift Trawler 35's flybridge has a comfortable living space with a sea view.

INGENIOUS

You enter the owner cabin with en-suite shower room and a second cabin with bunk berths, by a gullwing door. There is plenty of space for guests on the Swift Trawler 35.

Fitted with a twin sink that converts to a worktop and an extra forwardfacing seat, the U-shaped galley offers a convivial living space on board. The sofa-bed in the saloon converts to a comfortable double berth. The teak wood matching the wonderfully easy to clean upholstery creates a cosy atmosphere indoors. Enjoy a completely different cruise experience.

A Swift Trawler motorboat is shown from a side-on perspective, sailing on a body of water. The boat is white with a dark cabin and a prominent mast. In the background, a large, forested hill rises from the water's edge. The sky is a clear, pale blue. A dark blue semi-transparent rectangle is overlaid on the lower half of the image, containing the text.

BENETEAU TRAWLER RENDEZ VOUS

1/3

After an enforced 3-year break, BENETEAU organized again a Trawler Rendez Vous in 2022. More than 10 owners and their crew crossed to Ajaccio and enjoyed very friendly moments along the beautiful coastline of Corsica.
